V Terminology Summit

The EAFT (European Association for Terminology) is currently organizing the Fifth Terminology Summit entitled "Terminology 2010: quality matters" to be held on 12-13 November 2010 in Budapest.

The two days will be devoted to the following themes:

1. Terminology Policies (drafting, standardization, implementation)
2. Terminology and Translation (translation services, best practices)
3. Terminology Management (databases, ontologies, tools)
4. Assessment in Terminology (methods, experiments)

Anna-Lena Bucher, Gabriele Sauberer, Tamás Váradi and Georgeta Ciobanu have accepted to chair these four themes and M. Teresa Cabré has accepted to give the plenary lecture.

Terminology and Knowledge Engineering Conference (TKE) 2010

The Terminology and Knowledge Engineering Conference 2010 will be held in Dublin the next 12 and 13 August. This conference is about the promotion of knowledge and technology transfer for special language communication on the basis of terminological procedures and data. It will focus in particular on the theme of presenting terminology and knowledge engineering resources online.

More information in

http://www.dcu.ie/fiontar/conference/home_baile.shtml.

In this frame, the 14th it will be held a full day workshop entitled *Establishing and using ontologies as a basis for terminological and knowledge engineering resources*.

Topics:

- Intersections between Terminology and Ontology
- Construction of concept systems
- Conceptual dimension of terminology
- Terminological dimension of ontologies
- Use of ontologies for computer-based terminological applications
- Multilingual ontologies and terminologies

Suggestions

The European Association for Terminology is a non-profit professional organisation for the terminology sector in Europe. It is designed to further plurilingualism through terminology, to provide a European platform for promoting and professionalising terminological activities and improving awareness to them of them, and to liaise and cooperate actively with relevant organisations, associations and institutions.

If you want to send us any comment or suggestion that could improve our mission or you want us to draw our attention for any forthcoming event or activity, please send us the information and we will include it in the next issue as well as in our agenda.

Contact: term@eaft-aet.net

- Criteria for identification of terminological information
- Linguistic, terminological and knowledge organization
