#### VIII EAFT Terminology Summit (2016). Call for presentations for the open sessions

EAFT, in collaboration with TermCoord, is organizing the **Eighth Terminology Summit** in Luxembourg on November 14-15, 2016.

In 2016, EAFT celebrates its 20th anniversary and it is also a Summit year. Therefore, the Summit will be a good opportunity to go back and look forward at the same time, to present both revisions of the themes of earlier Summits (to see what has happened since then) and visions of where terminology needs to go from there.

The overall topic for the summit is: Visions and revisions. The Summit will have 8 sections which summarize the themes of the earlier Summits:

Session 8 DECLARATION

Session 7 TERMINOLOGY: STATE OF THE ART/DOMAIN LOSS

Session 6 TERMINOLOGY PROFILE

Session 5 INTERACTION and DIVERSITY

Session 4 RESPONSIBILITY AND AWARENESS

Session 3 QUALITY MATTERS

Session 2 SOCIAL MEDIA

Session 1 COOPERATION & COLLABORATION

Each session will contain at least one revision and one vision related to its theme sessions. Some areas which might appear to be missing from the above (e.g. terminology training, terminology research, terminology standardization, terminology management, terminology tools) are in fact not missing, but rather they could appear in several of the sections.

There will also be an open sessions addressed to those professionals who want to share their experiences on these themes in a set time limit.

## IMPORTANT DATES

## EAFT annual subscription. Second and last reminder

To enable us to update the membership section of the new EAFT website, please satisfy your fees before 15th July if you still have not done so. It is very important, for the sustainability of the Association, that all members pay their membership fee.

Early September we will publish the updated list of members in accordance with the subscriptions received in 2016. Those who have not satisfied their subscription by then, will no longer be members pursuant to the statutes of the association.

## New version of Hobelex, basque lexical corrector, by UZEI

**New version of Hobelex**, a spelling and lexical checker, a tool to write without misspellings that checks for the proper use of updated vocabulary in Basque, is available at [hobelex.eus](http://hobelex.eus). Hobelex will constantly be kept up-to-date: it has been updated with the 1 353 new words prescribed this year by the Basque Academy.

## Suggestions

The European Association for Terminology is a non-profit professional organisation for the terminology sector in Europe. It is designed to further plurilingualism through terminology, to provide a European platform for promoting and professionalising terminological activities and improving awareness of them, and to liaise and cooperate actively with relevant organisations, associations and institutions.

Do not hesitate to send us comments or suggestions that could help us accomplish our mission or that could draw our attention to any forthcoming event or activity. We would be pleased to include them in the next issue as well as in our agenda.
