International Conference on Training in Terminology in Bucharest

ASE of Bucharest in collaboration with EAFT organizes an [International Conference on Training in Terminology](#). The conference will take place on November 3-4, 2011 in Bucharest.

The objectives of the conference are to provide an institutional framework for terminology training and, besides, to discuss the involvement of terminology associations in raising awareness of the role of terminology training.

The final programme is already available. For further information, please visit the [website](#).

EAFT General Assembly

The EAFT General Assembly will take place in conjunction with the Bucharest event. We encourage all EAFT members to actively participate in the GA. If you are prevented from attending the GA physically, you can follow it on a virtual forum. Information on how to register for the forum will be provided in October's newsletter issue.

EAFT Annual subscription

To enable us to update the membership section of the EAFT website, please confirm your individual or institutional subscription if you still have not done so before 15 th October. Late October, we will publish the updated list of members in accordance with the subscriptions received in 2011.

New terminology download service

Terminologia Oberta is a terminology download service of general interest that includes repertoires coming from terminology research works carried out by TERMCAT.

Downloads are offered in several formats and are subject to Creative Commons licenses. Repertoires can be selected by title, field, update date and download format (XML, HML, PDF).

[Here](#) you can find more information about downloadable data. For further information, see: www.termcat.cat.

5th edition of the Introduction to Terminology Online Course offered by IULATERM

The 5th edition of the Introduction to Terminology Online Course will start in October. This course, offered by the IULATERM research group on Terminology, under the direction of M. Teresa Cabré, is the first module of our Terminology Distance Learning Programme.

The course deals with the basic principles of theory and practice in Terminology and is intended for language professionals dealing with special languages and terminology in their daily activities, such as specialized translators. The course is taught in English and

Suggestions

The European Association for Terminology is a non-profit professional organisation for the terminology sector in Europe. It is designed to further plurilingualism through terminology, to provide a European platform for promoting and professionalising terminological activities and improving awareness of them, and to liaise and cooperate actively with relevant organisations, associations and institutions.

Do not hesitate to send us comments or suggestions that could help us accomplish our mission or that could draw our attention to any forthcoming event or activity. We would be pleased to include them in the next issue as well as in our agenda.
